ZERO-WASTE PANCAKE BREAKFAST

Savor the Taste, Spare the Waste!
 8-11 a.m. Saturday, July 27, downtown Laingsburg

GLR is partnering with LBCA and the City of Laingsburg to make this year's pancake breakfast a zero-waste event! **We are flipping tradition on its head and serving up sustainability with every stack!**

What is a zero-waste event?:

Zero-waste events aim to reduce, recycle and compost as much waste as possible before, during and after an event. At this year's pancake breakfast, we hope to divert 90% or more of the waste generated at the event from the landfill.

By attending a zero-waste breakfast, you are contributing to a greener future for our community. We are committed to minimizing waste at every step by recycling food and drink containers and composting food waste and tableware locally. All tableware is certified compostable. **We encourage you to bring your own reusable water bottle and coffee cup to the event.**

GLR book donation at Laingsburg Public Library:

On June 18, GLR gifted books to the Laingsburg Public Library and read a book during its weekly story hour. The children's books cover a diverse array of environmental themes.
